Power conscious fixed **priority** scheduling for hard real-**time** systems- ufsc.br [PDF]
Y Shin, K Choi - Design Automation Conference, 1999 - doi.ieeecomputersociety.org
... head to the run queue; L7: end do L8: if run queue.head.**priority** active **task**.**priority**
then L9: set the active **task**.executed **time**; L10: context **switch**; L11: end ...
Cited by 326 - Related articles - BL Direct - All 24 versions

Flexible assembly systems: an approach for **near** real-**time** scheduling and routeing of ...
M Donath, RJ Graves - International Journal of Production Research, 1988 - informaworld.com
... schedule cannot be met, then either **switch** to mode 2 ... be no more than one unexecuted
task waiting at ... the procedure which averages performance **times** might affect ...
Cited by 7 - Related articles - All 3 versions

... using available computer resources for **task** execution during idle-**time** for future **task** ...
E Horvitz - US Patent 5,784,616, 1998 - Google Patents
... Press), thread, the computer, through context **switching**, begins While ... to a tosk<
whether based on user processing **time**. ... In that a **task** that previously was of ...
Cited by 10 - Related articles - All 2 versions

Deterministic preemptive scheduling of real-**time** tasks
LE Jackson, GN Rouskas - Computer, 2002 - ieeexplore.ieee.org
... dead- line D i at each router or **switch** in the ... the slack **time** becomes negative, and
the **task** is sure ... The infinite **time** slicing algo- rithm 1 is fundamentally ...
Cited by 23 - Related articles - BL Direct - All 7 versions

... for **task** execution during idle-**time** based on probabilistic assessment of future **task** ...
E Horvitz - US Patent 6,009,452, 1999 - Google Patents
... While the incor- poration of context **switching** increases the ... availability with the
task resuming once the **time**. ... In that regard, a **task** that previously was of ...
Cited by 10 - Related articles - All 2 versions

[PDF] Timing analysis for fixed-**priority** scheduling of hard real-**time** systems
MG Harbour, MH Klein, JP Lehoczky - IEEE Transactions on Software Engineering, 1994 - ctr.unican.es
... the **priority** of subtask τ' . ij ij 4 This assumption can be relaxed by introducing
the context **switch times** into the execution **times** of each **task**, using a ...
Cited by 140 - Related articles - View as HTML - BL Direct - All 9 versions

[PDF] Using a worst-case execution **time** tool for real-**time** verification of the debie software
N Holsti, T Langbacka, S Saarinen - EUROPEAN SPACE AGENCY-PUBLICATIONS-ESA ..., 2000 - tidorum.fi
... interrupt handler and a lower-**priority task**, because the ... gives "average" **times**, not
worst-case **times**. ... services because they invoke **task switching**, which is ...

Energy-aware adaptive checkpointing in embedded real-**time** systems- ▸psu.edu [PDF]

Y Zhang, K Chakrabarty - Proceedings of the conference on Design, Automation ..., 2003 - portal.acm.org
... In this section, we present a **classification** of checkpointing ... The second **priority**
is to save energy consumption for ... parameters for a real-**time task**: deadline D ...
Cited by 52 - Related articles - All 15 versions

Task allocation **time** decision apparatus and method of deciding **task** allocation **time**

K Hayashi - US Patent App. 10/144,747, 2002 - Google Patents
... Filed: May 15, 2002 (30) Foreign Application **Priority** Data May ... S82 S83 Subtract value
doubling value **switching time** computed by obteined at **task** input from ...
